Music and art graduates and nongraduates	196
Index	281

PREFACE

IN 1905 the first biographical catalog was issued by the Alumnae association, to supplant for that year the *Annual register*, which has been issued since 1890 and contains an alphabetic list of graduates of the college with dates and addresses, together with an incomplete list of former nongraduate students who are associate members of the Alumnae association.

According to a vote of the association the biographical catalog is to be issued quinquennially, and the current edition of 1910 includes the contents of the former catalog and in addition the graduates and nongraduates of the classes from 1906 to 1910. As before, a complete list of all former students, both graduates and nongraduates, has been attempted, with as much personal data as might be of general interest and historical value, together with a list of all trustees, teachers and other officers.

A list of the Alumnae association officers since its organization in 1881, the class secretaries, the branch associations and local clubs, the constitution of the Alumnae association, and the plans for nomination of alumnae trustees and alumnae council will be found in the contents of this issue. A separate leaflet sent to members only contains current information regarding the Alumnae association.

In May, blanks were sent to all former living students and every clue followed that might lead to their discovery. By the first of July about 2,000 had not returned the blanks, and a postal request was sent to each one which reduced very considerably the number of those from whom no direct information was received. In these cases the items recorded were obtained from other sources, such as the *Alumnae quarterly*, class secretaries, class books and even newspaper items, and are indicated by † after the address. When no information has been received to supplement the items of the former catalog the entry is followed by ‡. When no information was obtained of a student after she left college the place from which she entered is given.

There have been 7,025 students at Smith college. Of these 4,547 received the degrees of B.A, B.L. or B.S. and are eligible to membership in the Alumnae association. Of the 2,478 who have

243000

not received academic degrees those who completed a course of not less than one year in the academic department or who are graduates of the schools of music or of art may be admitted to associate membership by vote of the executive committee.

Names have been divided into two groups:

1. Alumnae arranged by classes, each student being entered under the year in which she received her degree;

2. Students who have not received academic degrees, arranged in alphabetic order, the period of time in college being given.

Names are given in the form used while in college with later or other forms in brackets. Permanent addresses have been given wherever possible. The precedent of the college catalog has been followed in the omission of the word Mass. from the addresses. All other states are given, except in the case of New York City, which is written simply New York. At the end of each class is given the number in the class and the number dead.

In smaller type are the additional degrees, a statement of study pursued after leaving Smith, occupations other than study, followed by personal items of marriage and children. Membership in societies is included when the societies are educational in the technical sense or professional and cover a national or international field. The index includes all names which appear in the catalog except those of children.

The bibliographical items have been added to the list in the hands of Miss Nina E. Browne. It is hoped that this list may be issued later as a separate publication.

The committee regrets that owing to the large number of students it was found impracticable to publish all the items given on the blanks, but they will be kept on file at the general secretary's office in Northampton for future reference.

In order that the records for the next issue of the catalog may be as accurate as possible, all corrections, additions or omissions should be reported to Miss Florence Homer Snow, general secretary, 184 Elm Street, Northampton.

Caroline Hungerford Mills 82
Caroline Williams Brewster 96
Helen Bruce Story 00
Florence Homer Snow 04

ABBREVIATIONS

Names of life members are in heavy type; nonmembers are shown by superior *n* after surname; others in class lists are annual members. In alphabetic list *a* before names indicates associate members.

Branches of the Alumnae association exist in the following cities and districts (the list is given in the order of organization):

Boston, Mass.
Chicago, Ill.
Western Massachusetts
New York City
Worcester, Mass.
Syracuse, N. Y.
Hartford, Ct.
Fitchburg, Mass.
Southern California
Pittsburg, Pa.
Cincinnati, O.
St Paul and Minneapolis, Minn.
St Louis, Mo.
Rhode Island
Rochester, N. Y.
Colorado
Buffalo, N. Y.

The following places maintain local clubs:

Cleveland, O.
Detroit, Mich.
Philadelphia, Pa.
Indianapolis, Ind.
Gloucester, Mass.

The clubs of Washington, D. C. and Franklin County, Mass. have been disbanded.

AMENDED CONSTITUTION

Article 1 Name and Object

This society shall be called the ALUMNAE ASSOCIATION OF SMITH COLLEGE. Its objects shall be to further the well-being of the college and its graduates by increasing the interest of members in the college and in each other.

Article 2 Members

§ 1 The association shall have three classes of members, viz: active, associate and honorary.

§ 2 Any graduate of the college may become an active member by signing the constitution.

§ 3 Any person who has completed satisfactorily a course of not less than one year in the academic department of the college, or who is a graduate of the schools of music or of art, may be admitted to associate membership, by vote of the executive committee, after the class with which she entered shall have been graduated.

The privileges and obligations of active and associate members shall be the same, except that associate members shall not vote nor be eligible to office.

§ 4 Any person having a collegiate course of four years (at least two years of it at Smith College) may become an honorary member of the society at the unanimous request of her class and by a three-fourths vote of the association.

Any person taking a higher degree than B.A. at the college may be made an honorary member of the society.

Honorary members shall be entitled to attend the social and open meetings of the association.

Article 3 Officers

The officers of the society shall be a president, two vicepresidents (first and second in the order of their election), a secretary, and a treasurer. These officers shall constitute an executive committee. The president of each class shall be *ex officio* the vicepresident of the association, but not a member of the executive committee.

Article 4 Duties of Officers

The duties of the president, vicepresident, and secretary shall be those commonly appertaining to these offices. The treasurer shall receive the funds of the association, and disburse them at the discretion of four of the executive committee. The annual report shall be examined by an auditor appointed by the executive committee. The executive committee shall look to the general interests of the society.

Article 5 Executive Committee

The executive committee shall have charge of all arrangements of meetings, and shall have power to fill any vacancies arising among its officers for the remainder of the term.

Article 6 Elections and Terms

The officers shall be chosen by ballot at the regular annual meeting of the association, and they shall serve two years. For election of them, a three-fourths vote of members present shall be necessary.

The treasurer shall hold office for five years. (By amendment.)

Article 7 Meetings

The regular annual meeting shall be held during commencement week. In addition to this, special meetings may be called at any time by the executive committee, and shall be so called at the request in writing of ten members. (See by-law 3.)

Article 8 Amendments

This constitution may be amended at any time provided notice of the proposed amendment with a printed ballot be sent to each member of the association with the call for the annual meeting issued at least a month previous thereto, and two-thirds of all the returns received by the secretary *before the date of the annual meeting* favor the amendment. (By amendment June, 1910.)

BY-LAWS

1 Every member of the association shall pay $1 annually to defray contingent expenses. Any alumna may become a life member of the association by a single payment of $30.

The annual fee shall become due on June 15 of each year, and the membership of each alumna shall date from June 15 of the year in which she shall sign the constitution.

The annual fee of $1 may be remitted *sub silentio* by the president and treasurer when they deem it advisable.

2 After the first election no one shall be eligible for the office of president who has not been a member of the association at least three years. (By amendment June, 1909.)

3 Notice of each meeting shall be sent to each member by the secretary, in writing, at least two weeks before the time appointed for the meeting.

The minutes of each annual meeting, embodying the substance of all reports, shall be printed with the annual register, and sent to each member of the association as early in the year as possible. (By amendment June, 1909.)

4 Committees for various purposes not defined in the preceding articles or by-laws may be appointed at the discretion of the association.

Such committees shall have at their disposal the money raised for their respective purposes.

5 No graduate shall be entitled to vote in this association until one year after her graduation.

6 Any local Smith College club analogous in object to the general association may be registered as a branch of the Alumnae association by complying with the following requirements:

(1) A club shall have at least twenty-five (25) members who are no longer undergraduate students of the college.

(2) Graduate members of each club *who are members of the general association* shall elect from their number three who shall serve as trustee electors in accordance with the provisions outlined in the plan for nomination of alumnae trustees, as published in the annual register. Only graduate members *who are members of the general association* shall vote in the nomination of candidates for alumnae trustee and in all other matters pertaining directly to the Alumnae association. In all other matters, including the election of and service as alumnae councillor, the privileges and obligations of graduates and of nongraduates may be the same. (By amendment June, 1910.)

(3) Officers, electors and councillors of all local associations for the ensuing year shall be elected after May first and their names must be in the hands of the secretary of the Alumnae association *before November first.*

(4) Branch associations shall make their own by-laws governing all points except those hereby specified. (By amendment June, 1909.)

PLAN FOR NOMINATION OF ALUMNAE TRUSTEES

Adopted June 19, 1900

1 Each branch or local association shall choose, at each annual meeting, or a special meeting called for the purpose, one elector to serve for three years; except that, at the first election, three must be chosen to serve for three years, two years, and one year respectively, in accordance with the number of their votes. (By amendment June, 1910.)

2 The duties of the electors shall be: (*a*) To present at a meeting of their branch or local association, which meeting must be held not later than December 30, the names of not more than five nor less than three candidates for each vacancy in the number of the alumnae trustees. (*b*) To forward to the secretary of the Alumnae association, before January 1, the names of two candidates in the order of their choice. (*c*) To forward to the secretary of the Alumnae association at the same time a statement of the year of graduation from Smith of each candidate, degrees received by her, positions of trust or responsibility held, the branch or branches proposing her and such other facts as may, in the judgment of the committee, be useful to the voters.

3 Graduates of Smith College of not less than ten years' standing are eligible as trustees, with the exception of members of the college faculty.

4 Only voting members of the association, whose annual dues are paid or have been remitted by the president and treasurer, are entitled to vote for a nominee.

5 The officers of the Alumnae association, consisting of the president, two vicepresidents, the secretary, and the treasurer shall constitute a nominating committee, whose duty it shall be, on or before December 1 of each year, to ask from each of the

branches and local alumnae associations, through its electors, the names of two candidates in the order of their choice; and on or before March 1 of the same year, to select from the list thus obtained and to present to the members qualified to vote, the names of not more than five nor less than three candidates for each vacancy in the number of the alumnae trustees. With these names there shall be sent a statement of each candidate's qualifications for office. The candidate or, in the event of there being more than one vacancy to be filled, the candidates receiving the highest number of votes shall be announced as the choice of the alumnae at the annual meeting of the association, and presented for election to the board of trustees at their June session. In the case of a tie, only the two names receiving the same number of votes shall be sent back to the electors for the final ballot.

6 A majority of the nominating committee or a committee of at least three appointed by said committee, whose chairman must be a member of the nominating committee, shall act as polling committee to count the ballots. (By amendment June, 1906.)

7 All other business pertaining to the nomination of alumnae trustees, not herein specified, shall be conducted by the nominating committee here designated.

The candidates nominated by the Alumnae association and elected by the board of trustees hold their positions as representatives of the association on the board for a period of three years.

PLAN FOR THE ALUMNAE COUNCIL

Adopted June 19, 1906

1 The alumnae trustees during their term of office and for a period of the three years at the close of their term, the officers of the Alumnae association, one delegate from each registered local association or club having a membership of at least twenty-five and an additional delegate from each association or club having a membership of more than one hundred, shall constitute an Alumnae council.

2 A committee of five from said council, consisting of the president and secretary of the Alumnae association (the latter to serve

as secretary to the council), one alumna trustee, chosen by the three alumnae trustees, and two other members of the council, chosen by the president of the Alumnae association, shall meet at the college in January each year to confer with the president, the faculty and the undergraduates in regard to efficient lines of service open to the Alumnae association,—a report of the conference to be sent to each member of said council within two months of the meeting. (By amendment June, 1908.)

3 The said Alumnae council shall meet in Northampton within a week before commencement to act on the report of the above committee and prepare recommendations to be submitted to the Alumnae association at its annual meeting.

4 The Alumnae association shall bear the entire expense of the January conference, and the expenses of the ex-trustees for the June conference; the expenses of other members of the council shall be met by them individually or by their local associations.
